

HOW TO APPLY FOR A POSITION AT THE DALIAS MARKET?

Throughout the year, different markets take place at Las Dalias, each one of them special and with its own essence.

The **SATURDAY MARKET** is held all year round from 10 a.m. and is divided into the summer season (April to October) and winter season (November to March).

NIGHT MARKETS are held on Mondays and Tuesdays from June to September and on Sundays in July and August, all from 7 pm to 1 am.

The **CHRISTMAS MARKET** is installed in the interior hall from mid-December to 5 January and the **EASTER MARKET** is held during the holidays, from Thursday to Sunday, according to the holiday calendar.

Every year, from December 1st to September 30th of the following year, Las Dalias opens the period for the submission of applications for the summer season markets. From October 1st, the organization of the flea market begins the review of all applications received to select the vendors who will be part of the flea markets in the coming summer season. In this way, the lists of those admitted are published on our website lasdalias.es and communicated via email at the end of November.

To apply for the **NIGHT MARKET, WINTER SATURDAY MARKET, CHRISTMAS MARKET** or the **EASTER WEEK MARKET** you can fill in the corresponding form and send it to us along with photos of the product, how the stand looks when it is set up and a sample of the material.

In Las Dalias we value both the process of creation, design and production of the product, as well as the presentation of the material and the stand. Any product from department stores or 'souvenirs', as well as food and/or drink, is automatically rejected.

Only printed applications are accepted. You can bring the documentation to the Las Dalias office, on **Thursdays from 9:30am to 1:30pm**, or if you are not on the island you can send your request to the following postal address:

Las Dalias Market
